The Enumerator must fill up the following Tables as correctly as he can.

SUMMARY.

In making this Summary, for EACH *Parish* or *Township*, write on one line the Number of Schedules, of Houses, and of their Inmates; on another line the Number of Persons who were in Barns, Sheds, or the like, in Tents, or in the open air, within the same Parish or Township; then insert the sum of the two lines. Barns, Sheds, Tents, &c., must not be reckoned as *Houses*; on the second line the columns for Houses will therefore be left blank.
